

March 13, 2020

Dear Valued Member, Participant, and Contributor,

It is with regret that we inform you that we will be postponing our Rockin' Your Recovery event scheduled for March 25, 2020 due to the current health concerns regarding COVID-19. We will be rescheduling this event for later this summer provided the health risks decrease and it is safe to gather without risking anyone's health or safety.

We know that all of you paid for registrations, contributions, and scholarships for this event. At this time, we would offer you a full refund of your payment of contribution, you may leave your payment or contribution to be used once the event is rescheduled, or you may donate it to our very worthy organization with our sincere appreciation.

We here at PMHCA want to sincerely thank you for your support. We truly hope you will understand and support this decision. We also wish safety and good health for you and your loved ones throughout this health crisis.

Respectfully,

Kathy Quick

Executive Director
